I am a web developer with a background in non-profit event planning. For fun, I enjoy taking ballet classes. My love for ballet informs my approach to web development, as perfection in both ballet and web development requires determination and insight to master the fundamentals and integrate them to create a beautiful masterpiece.

Skills

- JavaScript, NodeJS, ExpressJS, React, HTML, CSS, BootStrap, PostgreSQL, Sequelize, Wordpress, Accessibility, Ruby, Ruby on Rails, Python, Jasmine, MaterializeCSS, Sass

Web Developer Experience

Crane.ai
